“ Dear Jan Dell, I have just heard of the passing of your beloved son James. James and I worked together at Cal Fed/Citibank many years ago and I remember meeting you. You gave us all copies of your wonderful CD singing. James was an important person in my life and although we had drifted apart, I am devastated to hear of his passing. There were so many people at the bank who loved James and I was wondering if you would mind if I let them know via Facebook. I understand if you do not want me to do this and honor whatever decision you make. James, Vache, Laurie, Raphael and I are extending our heartfelt sympathy to you. Please know that he adored you and he talked about you so much and his growing up in Montana. Much love and prayers for you and your family. Julie Mossel
