“ Vicki and Family
A lump came to my throat and tear came to my eye when I read of this kind gentle man's passing. I have fond memories of working with "Johnny" many years ago at the "Old Wal-Mart". (You as well Vicki) Johnny was always kind, hard working and never had a mean word to say about anybody. He was always willing to go the extra mile for anyone and willing to lend a hand. A bright star is now shining in heaven with Johnny there. Father and son is reunited and long with he and his parents. God's speed Johnny

“ I want to send my condolences to my Aunt Vicki, also my cousins, Johnny, Donald, Dillon, Shayne, and Paige, I'm and very sorry to hear about your dad. I can imagine what you are going through, it was hard for me when my dad died and , it still hurts everyday without him and it always will. Just try to remember all the good times you guys got to spend with him, like the countless trips to California, he loved coming to visit the family. And at least we know he is with Abuelito, Abuelita, My dad, Uncle Freddy, and Cousin Charlie, and none of them are suffering. Just try to be strong for your mom, and Johnny, I'm sure your dad will be looking down at you and be proud that you know you gotta be strong and take care of your family now. I love you guys, take care. Uncle Johnny I sure am going to miss you, and I will never forget how you use to call me all the time when I was in the hospital to see how I was doing, even though you were in Montana and I was in California. Thanks for being a great Uncle, love always your niece, Elizabeth Ledesma

“ The last trip to California I'll ever make with my dad. We did it right though had a blast. Every time I go to Cali you'll be right there with me dad. Anywhere I go you'll be by my side. R.I.P. dad I love you so much and will think of you everyday until we see each other again. Love your son Johnny
